PADI Membership Agreement

PLEASE READ CAREFULLY – Sign statement on application

Renewal and continued membership is partially based upon your reading and signing this Agreement. PADI will consider renewal of your membership subject to the following terms and conditions:

1. I will abide by all PADI Standards and Procedures as published in the PADI *Instructor Manual* and *Training Bulletin* and other updates, within the capacity of my current classification, when conducting PADI programs, and will not deviate from them when representing myself as a PADI Member.
2. I have made myself knowledgeable about the latest PADI Standards and Procedures by reading the *Training Bulletin* and related publications. I have become familiar with PADI educational materials and am knowledgeable of any revisions to such materials and the introduction of new materials.
3. I am aware of the fact that scuba diving can seriously affect a person's health and life. I agree to omit from certification any student who does not meet all the prerequisites and performance requirements specified for the respective level of certification.
4. I understand and agree that any false reports of standards violations deemed by the Quality Management Committee to have been made for competitive, political or financial reasons shall be grounds for Quality Assurance action.
5. I am aware of the Quality Assurance Report Form that may be filed with PADI. I am further aware of the recourse available to me through the PADI Quality Assurance process to refute any complaints that may be reported. I understand and agree that all rulings by the Quality Management Committee with regard to such complaints shall be deemed binding.
6. I understand and agree that PADI may notify other certifying organizations should a PADI Member be required by the Quality Management Committee to undergo instructor-level retraining. I further understand that the names of suspended and expelled members will be published in *The Undersea Journal* and on PADI's web site.
7. I understand and agree that all members (individuals, dive centers and resorts) involved in the training of a particular student, as determined by the student's certification records at PADI, are responsible for adherence to PADI Standards during the conduct of that training. The Quality Assurance Department will communicate with all involved members upon receipt of reports or any other information indicating possible violation of PADI Standards and Procedures.

8. I understand and agree that financial irresponsibility in dealings with PADI is grounds for membership suspension.
9. I will not discredit PADI nor cause any action that will create a liability to PADI. PADI will have the sole right to determine whether any actions are detrimental to PADI.
10. I will file a PADI Incident Report Form with PADI for any diving-related incident of which I am aware that may have harmed or potentially harmed myself or another individual.
11. I agree to provide PADI with true and correct student/participant contact information, including the student's proper mailing address, when I submit any certification authorization or participant registration (PIC envelope, application, or registration card/roster) to PADI. I understand such information shall be the property of both PADI and the submitting member.
12. I acknowledge that diving and diving instruction are physically strenuous activities and that it is my personal responsibility to maintain the necessary level of fitness in order to involve myself in diving instructional and supervisory activities. I also acknowledge that should my physical condition change, rendering me incapable of meeting the physical requirements of diving instruction and supervision, I will cease my instructional and supervisory activities until I am again capable and, if necessary, cleared by a diving medical examination performed by a licensed physician.
13. I understand and agree that the terms and conditions of this Agreement were effective and binding 1 January 1999 and for subsequent years of my membership with PADI. Should PADI modify this Agreement, I will be notified in writing of the changes prior to the next renewal.
14. I acknowledge that this Agreement does not intend to create an agency relationship between me and PADI. Except as otherwise provided in this Membership Agreement, PADI has no control over or involvement with my day-to-day operations and activities and bears no responsibility for the same.
15. I understand and agree that membership in PADI is granted at the sole discretion of PADI, based on its unilateral determination of several criteria including, but not limited to, whether acceptance and continuation of membership is in the best interest of PADI. Satisfaction of minimum requirements does not guarantee membership. Membership in PADI, at any level, may be revoked at any time.
